

Position Description

Landscape Construction – Swimming Pools

Pool Installer

About the role

Due to our continued growth, an opportunity has opened for an experienced Pool Installer to join our dynamic team on a variety of projects in Wagga Wagga and surrounding areas. With national awards for landscaping under our belt, you will be given the opportunity to work with leaders in the industry, while enjoying a friendly and varied work environment.

We are after a **Pool Installer** who can hit the ground running. We need someone with a professional mature approach, who can work independently as well as part of a team. Overnight and extended stay work is a possibility and should be considered when applying for this position.

Skills and experience

- Excellent communication skills
- Proficient in planning, organising & problem-solving
- Bobcat/Excavator License preferred
- White card
- Current Driver's License
- MR or HR license would be highly regarded
- Plumbing Swimming Pools
- Water Testing and Chemical Balancing
- Equipment Repairs & Servicing

Why join Creative Outdoors and more?

This role will offer you an opportunity to utilise your experience and take on a senior position with an established company that has won national awards in landscape construction and offers career growth potential. We as a company have big dreams and so should the successful applicant.

- Great variety of work
- Fantastic team environment
- Competitive remuneration, depending on experience

Due to the nature of some of our projects a Criminal History check and a Working with Children check will need to be completed prior commencement of employment.

This is a 2-year, Full-Time contract. Should you wish to apply for this role please submit your resume and a covering letter to info@creativeoutdoorsandmore.com.au
