

## **Position Description**

### **Qualified Landscaper**

#### **About the role**

Due to our continued growth, an opportunity has opened for an experienced landscaper to join our dynamic team working on a variety of projects.

The successful applicant will be able to demonstrate an ability to co-ordinate and manage residential and commercial projects, read plans and have a sound knowledge of OH&S requirements. You will also possess excellent communication skills to liaise with clients, team members and other trades.

#### **Core duties**

- Mentor apprentices
- Control & monitoring of OH&S systems
- Record keeping
- Management of quality control

#### **Skills and experience**

- Experience in all aspects of soft and hard landscaping
- Excellent communication skills
- Bobcat/Excavator License is highly regarded
- White card
- MR or HR license would also be highly regarded

#### **Why join the Creative Outdoors team?**

This role will offer you an opportunity to utilise your leadership experience and take on a senior position with an established company that has won national awards in landscape construction and offers career growth potential. We as a company have big dreams and so too should the successful applicant.

- Great variety of work
- Fantastic team environment
- Competitive remuneration, dependant on experience

Due to the nature of some of our projects a Criminal History check and a Working with Children check will need to be completed prior commencement of employment.

This is a Full-Time contract. Should you wish to apply for this role please submit your resume and a covering letter to [xavier@creativeoutdoorsandmore.com.au](mailto:xavier@creativeoutdoorsandmore.com.au)
